COMPLIANCE STATEMENT

TITLE VI, CIVIL RIGHTS ACT OF 1964; THE MODIFIED COURT ORDER, CIVIL ACTION 5281, FEDERAL DISTRICT COURT, EASTERN DISTRICT OF TEXAS, TYLER DIVISION

Reviews of local education agencies pertaining to compliance with Title VI Civil Rights Act of 1964 and with specific requirements of the Modified Court Order, Civil Action No. 5281, Federal District Court, Eastern District of Texas, Tyler Division are conducted periodically by staff representatives of the Texas Education Agency. These reviews cover at least the following policies and practices:

(1) acceptance policies on student transfers from other school districts;

(2) operation of school bus routes or runs on a non-segregated basis;

(3) nondiscrimination in extracurricular activities and the use of school facilities;

(4) nondiscriminatory practices in the hiring, assigning, promoting, paying, demoting, reassigning, or dismissing of faculty and staff members who work with children;

(5) enrollment and assignment of students without discrimination on the basis of race, color, or national origin;

(6) nondiscriminatory practices relating to the use of a student's first language; and

(7) evidence of published procedures for hearing complaints and grievances.

In addition to conducting reviews, the Texas Education Agency staff representatives check complaints of discrimination made by a citizen or citizens residing in a school district where it is alleged discriminatory practices have occurred or are occurring.

Where a violation of Title VI of the Civil Rights Act is found, the findings are reported to the Office for Civil Rights, Department of Health, Education and Welfare.

If there is a direct violation of the Court Order in Civil Action No. 5281 that cannot be cleared through negotiation, the sanctions required by the Court Order are applied.

TITLE VII, CIVIL RIGHTS ACT OF 1964; EXECUTIVE ORDERS 11246 AND 11375; TITLE IX, 1973 EDUCATION AMENDMENTS; REHABILITATION ACT OF 1973 AS AMENDED; 1974 AMENDMENTS TO THE WAGE-HOUR LAW EXPANDING THE AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967; AND VIETNAM ERA VETERANS READJUSTMENT ASSISTANCE ACT OF 1972 AS AMENDED IN 1974.

It is the policy of the Texas Education Agency to comply fully with the nondiscrimination provisions of all federal and state laws and regulations by assuring that no person shall be excluded from consideration for recruitment, selection, appointment, training, promotion, retention, or any other personnel action, or be denied any benefits or participation in any programs or activities which it operates on the grounds of race, religion, color, national origin, sex, handicap, age, or veteran status (except where age, sex, or handicap constitute a bona fide occupational qualification necessary to proper and efficient administration). The Texas Education Agency makes positive efforts to employ and advance in employment all protected groups.

Division of Information Analysis

BRIAN L. WILSON, Director
LESLIE P. MARTINICH, Systems Analyst I

This *Statistical Brief* was produced by LESLIE P. MARTINICH, who revised the analysis and addenda sections as well as the computer programs which generated the tables, charts, and text.

FOREWORD

The *Statistical Brief* report series is designed to provide timely statistical information on Texas public elementary and secondary education. Each report addresses a specific area and will be released as soon as possible after the data are officially added to the TEA Data Base. Education topics in this series include student enrollments and attendance, revenues and expenditures, professional personnel and salaries, and Foundation School Program information.

This report series is unique in two ways. First, the reports were designed to include information most frequently requested from the TEA Data Base. Those who need these data should find this series very useful. In addition, the *Statistical Brief* tables and text are computerized. This capability permits rapid update of the reports and will improve the accuracy of the report information.

The *Statistical Brief* reports are intended to meet the Texas public education information needs of education administrators, policymakers, researchers, and the general public. Although the basic nature of the information in the *Statistical Briefs* should meet the education data needs of the foreseeable future, the contents and format of the reports are flexible. Formats may be altered to meet the demand for new educational data as laws and State Board of Education rules are changed, new issues emerge, or the general need for information moves in a new direction. *Statistical Brief* users are encouraged to submit suggestions toward improving the reports.

Raymon L. Bynum
Commissioner of Education

FALL SURVEY OF STUDENTS IN TEXAS PUBLIC ELEMENTARY AND SECONDARY SCHOOL DISTRICTS 1982-83

I. INTRODUCTION

This report contains statistics on students by ethnicity, sex and grade collected during the fall of the 1982-83 school year by the following TEA report:

Fall Survey of Pupils in Membership, Fall 1982

The statistical universe for this annual data collection is all students in membership in Texas public elementary and secondary schools on the last day of the first six-weeks attendance period. Hereafter, this document will be referred to as the Fall Survey. The number of public school districts actively operating schools in 1982-83 was 1,100. This Statistical Brief presents information for all active districts.

Principal authority for collection of fall membership data is Civil (Court) Action 5281. These data are also used to complete reports requested under the National Center for Education Statistics Common Core of Data (CCD) program (41 U.S.C. 252(c)(5). Fall Survey student data are routinely used for TEA planning and decision making. They are also used to estimate the number of students to be tested by the Texas Assessment of Basic Skills (TABS) program each spring.

II. SUMMARY DISCUSSION

Fall Survey data show an increase of 7.3 percent in the total number of students in the past 10 year period (an average annual growth rate of .79 percent), with a decline in the number of white students and an increase in the number of minority students (see Table II-3). The data also show an uneven distribution of minority students among the state's public school districts (see Table II-4).

Fall Membership Ethnicity by FSP District Status, 1982-83

Texas public school districts reported nearly three million students in membership in the fall of the 1982-83 school year. Regular Foundation School Program (FSP) districts reported the majority of the students with special statutory and state-administered districts accounting for 23,743 students, less

than one percent of the total. Table II-1 summarizes the 1982-83 fall student count for ethnic categories by type of district.

Fall Survey Student Ethnicity and Sex by Grade Level, 1982-83

Tables II-2a and II-2b present the state total of students for each grade level, broken down by ethnicity and sex. They also show the enrollment in special education programs by grade level. In 1982-83, 72 percent of public school students were enrolled in elementary grades PK through 8; 28 percent were enrolled in secondary grades 9 through 12. Pre-kindergarten reported the highest percent of minority students (56.5 percent) in 1982-83; first grade reported the largest number of minority students (124,504).

Changes in Fall Membership, 1973-74 to 1982-83

Table II-3 presents student ethnic count and percent data contrasting 1973-74 with 1982-83. Minority enrollment increased by 255,787 students, while the number of white students decreased by 52,279. The net total increase from 1973-74 to 1982-83 was 203,508 students. Hispanic increases alone accounted for more than 8 out of 10 minority students added during this period. Asian student membership showed the greatest percentage increase (629 percent) during this ten year period. The American Indian student membership grew by 17 percent over the same period. For the ten year period, minority membership increased from 39 percent of the total in 1973-74 to 44.9 percent in 1982-83. Figure II-1 illustrates the annual changes in membership from 1973-74 to 1982-83.

SOURCE: TEA, FALL SURVEY OF PUPILS IN MEMBERSHIP, FALL 1982.

Annual Changes in Fall Membership

The number of 1982-83 students in membership increased 49,487 over the prior year. Hispanics increased by 27,001; white membership increased by 11,161. The number of blacks increased by 4,334; the number of Asians increased by 6,812; and the number of American Indians increased by 179.

Distribution of Ethnic Membership in Texas Public School Districts, 1982-83

White and minority students were not as a whole evenly distributed among the state's public school districts in 1982-83. Overall, 7 out of 10 districts had above average concentrations of white students and below average concentrations of minority students. Minority students were concentrated in relatively few districts. Table II-4 shows that 34 districts reported no minority students, while five districts reported no white students.

Final Analysis

Statewide historical trends show that Fall Survey enrollment has increased annually with some fluctuations in the annual percentage increase. In 1973, fall membership increased 1.61 percent from the previous year (a gain of 44,020 students, attributable to the addition of a regular half-time kindergarten program), while in 1974 the increase was only .11 percent (a gain of only 3,145 students). For the past two years the percentage increase has remained relatively high: 1.24 percent from 1980-81 to 1981-82; 1.69 percent from 1981-82 to 1982-83.

A comparison of Fall Survey first grade enrollment with the number of Texas births (with a six-year time lag) indicates that first grade enrollment is increasing faster than Texas births. For example, in 1977 there were 16,000 more first graders enrolled in Texas public schools than had been born in Texas 6 years earlier. In 1981, there were 33,000 more, and in 1982 there were 34,500 more. A similar comparison of Hispanic first grade enrollment with Hispanic births in Texas indicates that there has been a consistently greater number of Hispanic first graders than Hispanic births. The Hispanic excess of enrollment over births has accounted for approximately 60 percent of the total excess in the past two years.

In addition to the increase in the number of school age children due to migration, the number of recorded births in Texas has increased significantly, from 210,787 in 1974 to 281,558 in 1981. Figure II-2 illustrates the effects of migration on the first grade enrollment from 1977 to 1982-83 and shows that the dramatic increase in births in the last few years will certainly bring the first grade enrollment to over 300,000 by the fall of 1986.

III. DETAILED TABLES

Data used to prepare the Section II analysis are contained in this section. Each table presents the data in the manner described below.

TABLE	ORGANIZATION	DISTRICT COVERAGE	PAGE
III-1	TEA ANALYZE Report Categories	Regular FSP Districts Only	10
III-2	ESC Regions	All Active Districts	11
III-3	Regular FSP Districts with Estimated County Totals	Regular FSP Districts Only	12
III-4	Special Statutory and State-Administered Schools	Special & State Districts Only	50
III-5	Historical State Totals 1969-70 to 1982-83	All Active Districts	51

NOTES: County totals in this statistical report are termed "estimated" because school district and county boundaries frequently do not coincide. True county totals exist only for those counties where all district boundaries coincide with county boundaries.

ANALYZE report categories are district groupings used by TEA. See "Annotated Definitions of Terms" in the Addenda.

Totals include Regular FSP, Special and State Districts.

Historical Background

The Fall Survey of student membership originated in the fall of the 1968-69 school year. Several major changes to the report have occurred since then:

1. Teacher data, collected in the first Fall Surveys, were no longer collected after the 1972-73 school year. (See the Statistical Brief "Personnel by Sex and Ethnicity for Texas Public Elementary and Secondary School Districts" for teacher data comparable to student data contained in this report.)

2. Reference names for the five major ethnic categories were changed. (See Table II-3 for both old and current ethnic category names.)

3. A count of students by sex was added to the Fall Survey beginning with the 1976-77 school year. When the category of sex was removed from the Superintendents Annual Report (SAR) beginning with the 1979-80 school year, Fall Survey became the only TEA data collection containing a count of Texas public school students by sex.

4. In an attempt to improve the accuracy of Fall Survey data, districts were instructed, starting with the 1980-81 school year, to report membership as of the last day of the first six weeks period. As the "Instructions" section of the Specimen Document shows, the definition of "membership" was also tied to the definition used in the SAR, ensuring to a large extent that districts would use equivalent procedures for counting students.

5. The grade level categories "Special Education" and "Ungraded" were used on Fall Survey from 1968-69 through 1975-76. Beginning in 1976-77, districts were required to report all students in a specific grade level from pre-kindergarten through grade 12.

   Beginning in 1980-81, special education counts were again collected. Although special education students can be identified by grade level on the Fall Survey, they are combined with regular program students in the sex and ethnic counts. (See the Fall Survey specimen document on page 59.)

Several considerations apply to this report:

1. Although data are presented at the school district level of detail in Tables III-3 and III-4, Fall Survey information is collected by grade level for each school campus.

2. All students were assigned by school district personnel to one of the major ethnic categories, regardless of whether any of the categories was appropriate to a given student.

3. As a result of refinement in specific definition of students to be counted on Fall Survey, some comparability exists between Fall Survey and SAR. The following comments apply to such comparisons:

   A. Fall Survey membership is the cumulative result of entries, changes and withdrawals from the first day of classes through the last day of the first six weeks attendance period. SAR membership, on the other hand, is a similar accumulation through the last day of regular classes for the school year.

   B. Windham Schools (see Table III-4) normally reports Fall Survey membership but does not report SAR membership.

   C. Pre-kindergarten students participating in "Special Population" programs are not reported on Fall Survey, though some are reported as "Ineligible" students on SAR.

4. The Hispanic category grew by approximately 20,000 each year between 1969-70 and 1979-80. The abnormal 1980-81 increase may be attributed to Justice Lewis Powell's court ruling that tuition-free education be provided to children of undocumented aliens.

   In response to a questionnaire on the issue, 366 districts reported that 11,000 undocumented aliens entered school on or before September 19, 1980. This count is believed to represent primarily pupils entering Texas public schools for the first time and excludes most undocumented aliens admitted in prior years.

Annotated Definitions of Terms

ACTIVE SCHOOL DISTRICT: Any public school district which operates a school in the district each year. (See Section 19.246(b) of the Texas Education Code.)

ANALYZE REPORT CATEGORIES: Special district groupings of data used for TEA school finance policy analysis. These categories are defined as follows:

1. MAJOR URBAN DISTRICTS: The largest school districts located within the central city of each of the state's six largest Standard Metropolitan Statistical Areas (SMSA's), (i.e., Austin, Corpus

Christi, Dallas-Fort Worth, El Paso, Houston, and San Antonio). SMSA's are defined by the U.S. Bureau of the Census.

2. OTHER CENTRAL CITY DISTRICTS: Districts which are considered by TEA to be the "most central" to the state's remaining SMSA's.

3. SUBURBAN-FAST GROWING DISTRICTS: Generally, suburban districts of 1,000 or more refined ADA which had at least 10 percent increase in the number of original entries from 1976 to 1981, and some smaller suburban districts which displayed rapid growth for the same period.

4. SUBURBAN-STABLE DISTRICTS: Suburban districts which are similar to those in the previous category but which do not demonstrate high ADA growth rates.

5. NON-METRO WITH 1000+ ADA DISTRICTS: Districts which have 1,000 or more refined ADA and which are not included in the previous categories.

6. NON-METRO WITH TOWN DISTRICTS: Districts which have less than 1,000 ADA and which encompass a town having a population of approximately 1,000 or more.

7. RURAL DISTRICTS: Districts which have less than 1,000 ADA and which have no central town within their boundaries.

COUNTY-DISTRICT NUMBER: A six-digit TEA code which uniquely identifies each Texas school district. The first three digits identify the county in which the district administrative offices are located. (The 254 Texas counties are numbered alphabetically.) The last three digits identify the type of district as follows:

000 thru 099 - Common School District
701 thru 799 - Rural High School District
901 thru 949 - Independent School District
950 - Regional Education Service Centers

EDUCATION SERVICE CENTER (ESC): A special intermediate level agency established to provide planning, coordination, and other special services to public school districts within a defined geographic region of Texas. (See Sections 11.32 and 11.33 of the Texas Education Code.)

ELEMENTARY SCHOOL: A school classified as elementary by local practice which provides instruction for students who are enrolled in any grade not above grade 8. This includes kindergartens and pre-kindergartens if they are under the control of the local board of education.

ETHNIC GROUPS (CATEGORIES): Racial/ethnic groups are defined as follows:

AMERICAN INDIAN (OR ALASKAN NATIVE): A person having origins in any of the original peoples of North America.

ASIAN (OR PACIFIC ISLANDER): A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Pacific Islands.

BLACK (NOT OF HISPANIC ORIGIN): A person having origins in any of the black racial groups.

HISPANIC: A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

CAUCASIAN (WHITE, NOT OF HISPANIC ORIGIN): A person having origins in any of the original peoples of Europe, North Africa, the Middle East or Indian Subcontinent.

Race/ethnic designations used by the Texas Education Agency do not denote scientific definitions of anthropological origins. For the purpose of this report, a student may have been included in the group to which he or she appeared to belong, identified with, or was regarded in the community as belonging. However, no person should have been counted in more than one race/ethnic group.

FOUNDATION SCHOOL PROGRAM (FSP): A program of state government financial assistance created "to guarantee that each school district in the state has adequate resources to provide each eligible student a basic instructional program suitable to his educational needs." Under the FSP, eligible districts receive state monies for minimum salaries of personnel, current operating expenses, categorical program aid, and transportation services. The amount of state aid is based on the district's ability to support its public schools. (See Sections 16.002 and 16.004 of the Texas Education Code.)

MEMBERSHIP: A pupil accounting measure which equals total original pupil entries less withdrawing pupils, plus re-entering pupils.

MINORITY: All or any portion of the non-white pupils or personnel in a public school.

ORIGINAL ENTRIES: The number of pupils entering Texas schools for the first time during the current school year.

PUBLIC SCHOOL CAMPUS: An administrative unit of a public school district which serves students enrolled in a limited number of grades and which usually has its own grounds, buildings, and other facilities.

PUBLIC SCHOOL DISTRICT: A governmental jurisdiction created under state law for the general purpose of providing an education to all eligible students who enroll in its schools or educational programs. (See Chapter 19 of the Texas Education Code.)

"REGULAR FOUNDATION SCHOOL PROGRAM (FSP)" PUBLIC SCHOOL DISTRICT: A district created under general statutory authority which is eligible for state funding assistance under the Foundation School Program. These districts have geographic boundaries with corresponding property values, as well as taxing authority. They are administered by a locally elected school board.

SECONDARY SCHOOL: A school which provides instruction for students enrolled in any grade beginning with the next grade following the elementary school and ending with or below grade 12. This includes junior high schools, high schools, and vocational or trade high schools.

SPECIAL POPULATION EDUCATION: Programs designed to meet the special educational needs of limited pupil populations (e.g., the handicapped, limited English-speaking, educationally disadvantaged. etc.).

"SPECIAL STATUTORY" PUBLIC SCHOOL DISTRICT: A district created by special legislative act but not administered by a state government agency. Examples of this type of district are the public schools associated with military bases near San Antonio and the Masonic Home schools in Fort Worth.

"STATE-ADMINISTERED" PUBLIC SCHOOL DISTRICT: A district created by legislative act which is both funded and administered by a state government agency. Most of these schools are administered by the Texas Department of Mental Health and Mental Retardation or the Texas Youth Council. In addition, the Department of Corrections operates Windham Schools and the University of Texas System operates Moody ISD, the district associated with the UT Medical Branch Hospital in Galveston. The State Schools for the Deaf and Blind have been under the Texas State Board of Education, but were placed under the control of independent boards of trustees beginning with the 1981-82 school year.

STATISTICAL UNIVERSE: The complete collection of persons or other units of study to which the findings and conclusions of a statistical analysis apply.

TEXAS ASSESSMENT OF BASIC SKILLS: A program of student achievement testing for third, fifth, and ninth graders in Texas public schools. Students are tested to determine whether or not they have mastered basic skills objectives in reading, writing, and mathematics.

TAX RATE: The rate of taxation. When multiplied by the property value, it yields the amount of taxes levied by the school district. Usually given in the form of a rate per $100 of property value. The tax rate set by the district is called the nominal tax rate because it is multiplied by the district's assessed value. An effective tax rate, often used for comparison purposes, can be computed as the tax rate required to raise the same levy based upon another property value, such as the value determined by the State Property Tax Board.

Example: A district reports an assessed value of $63,000,000 and a nominal tax rate of $1.700 per $100 assessed value. Thus the total tax levy equals ($63,000,000 / 100) x $1.700 = $1,071,000. If the State Property Tax Board has determined that this district's index value for local fund assignment purposes is $76,500,000, then the effective tax rate based on this value is determined as follows:

$1,071,000 / ($76,500,000 / 100) = $1.400.

That is, the total tax levy is divided by one-hundredth of the property value to yield the effective tax rate.

Explanation of Abbreviations

ADA - Average Daily Attendance
CSD - Common School District
ESC - Education Service Center
FSP - Foundation School Program
ISD - Independent School District
K - Kindergarten
LEP - Limited English Proficient
PK - Pre-Kindergarten
RHSD - Rural High School District
SAR - Superintendent's Annual Report
SMSA - Standard Metropolitan Statistical Area
TEA - Texas Education Agency
TABS - Texas Assessment of Basic Skills

Technical Notes

Average Percent Ethnic Group Calculation:

For a given ethnic group, the average percent that the ethnic group represents of total students is calculated as

Pct Ethnic Group =
(100 * Ethnic Group Student Count) / Total Student Count

County Estimates:

County totals in this statistical report are termed "estimated" because school district and county boundaries frequently do not coincide. True county totals exist for only those counties where all school district boundaries coincide with county boundaries.

Rounding:

All percentage calculations have been rounded to a single decimal place. Consequently, table percentages may not sum to exactly 100.0 percent.

Statistical Brief Special Tabulations

The TEA Division of Information Analysis may be able to provide data users with special tabulations or computer tapes based on the same data used in Section III of this report. Inquiries about special tabulations or computer tape files should be addressed to:

Texas Education Agency
Director
Division of Information Analysis
201 East Eleventh Street
Austin, Texas 78701

All services and/or materials are provided to the requestor at cost. Estimates will be provided upon request.

Fall Survey of Pupils in Membership

Authority for Data Collection: Texas Education Code, Section 11.52(d)

Planned Use of the Data: Civil Action 5281, federal reporting and general statistics

Instructions: For each category, record the membership on the last day of the first six weeks reporting period at this campus to balance with the membership (not including Infant Programs) shown for that date in the Daily Register(s) of Pupil Attendance, or equivalent record-keeping system. This report must be completed separately for each school campus as shown in the Texas School Directory. Contact William Jay at (512) 475-6234 if assistance is needed in completing this form.
*In columns, 1-5 Special Education pupils should be distributed in the grades with regular pupils. However, in column 6 (Totals), separate Special Education pupils from regular pupils. Include all students with a handicapped code of "H" or "X" in the Daily Register of Pupil Attendance in the Special Education column. All others are included in the Regular column.
